

# UNISON Members Meeting

## Covid 19 Vaccine

As the vaccination programme for Covid-19 continues there finally seems to be light at the end of a long and difficult tunnel. Estimates suggest that three quarters of us will need to be vaccinated to reach population immunity. How many people will agree to be vaccinated? Are some groups more likely to agree than others and what can be done to encourage uptake?

Join us to discuss these questions and all issues vaccine.

We are holding 2 sessions, open to all UNISON members in the West Midlands both on Zoom to allow maximum participation.

**Thursday 11th Feb 1-2pm Meeting ID: 844 5832 2058 Passcode: 293193**
