In August the third one-day strike at Sandwell Leisure Trust took place against staff being fired and rehired to remove them from national NJC pay, terms and conditions.

This picture is outside Portway Lifestyle Centre where 4 Labour Councillors turned up to show their support.

This is the longest running dispute in Sandwell's history.

Guest Speakers include:-

- Andrea Egan, Vice President
- Darrin Taggart and Scott Parish from the dispute at Sandwell Leisure Trust
